

# LITTLE RED SCHOOLHOUSE APPLICATION FORM

B&G Little Red Schoolhouse classes usually fill to capacity within several days following announcement. Class registration is on a first come, first serve basis. We suggest that you register for the class of your choice as soon as possible AND indicate a second date choice when submitting this form.

You will receive registration confirmation once you are enrolled in a class. You can also check on your class enrollment and obtain class descriptions, dates, location, hotel info, etc at <http://completewatersystems.com/brand/bell-gossett/training-education>

B&G Schoolhouse attendees receive a special discount at the Double Tree Hotel. To ensure you get the Schoolhouse discount, Angi (Hydro-Flo) will make your hotel arrangements online following your class enrollment. You are responsible for paying for the hotel room. B&G will provide daily transportation between the Double Tree Hotel and the B&G Schoolhouse.

The B&G Schoolhouse will host a Welcoming Banquet Monday night at the Double Tree Hotel and will provide lunches at the B&G plant cafeteria. You will be responsible for all other food expenses.

If the class is full, you will be placed on a cancelation call list. If any of the enrolled participants cancel, the next person on the cancelation call list will be offered their spot.

Please use 1 form per applicant; make additional copies as necessary. Please type or print legibly.
